

Paula Kanakarlis recently attended a family wedding at the Intercontinental Sanctuary Cove, Queensland “a lovely property”.

Not wanting to waste the opportunity she and her family decided to extend their vacation relocating to Broadbeach staying at Ultra Broadbeach apartments. Paula’s 3 bedroom apartment was fully equipped with uninterrupted views of the beach. If they didn’t feel like ‘self catering’ it was a short stroll away from al fresco restaurants, cafe and pubs.

Tastefully furnished and finished with quality European appliances, these superior apartments are ideal for couples and families.

A highlight for Paula’s young daughter was a trip to Movie World and Sea World!
